Ladies and Gentlemen:

We recognize and appreciate the fact that you support many activities and organizations in South Baldwin County that enhance the quality of life we all enjoy. Your contributions of financial resources and services help make our community the special place that it is. Thank you for all that you do!

The South Baldwin Education Foundation (a 501 [c] [3] organization) also promotes the quality of life in our community by providing educational opportunities for area youth. During its 27 years, the Foundation has provided \$5,931,729 in scholarships for higher education to students of Foley, Robertsedale and Gulf Shores public high schools. We have had 60 scholarship sponsors provide funding for undergraduate and graduate scholarships. The South Baldwin Education Foundation has worked is now in need of your help to continue this effort.

As we have grown and the number of students and sponsors has increased, so have our expenses. We have never charged an administrative fee to scholarship sponsors or students for our services. However, in order to pay for scholarship award management, postage, printing and office supplies, we are asking the assistance of the community we serve. After exhausting the \$45,000 plus raised from our House4Education endeavor, we began a campaign to obtain Sustaining Sponsors for annual amounts between \$100 and \$1,000. It is taking longer than anticipated to build that list.

We are hopeful that you will see the benefits of what we do and assist us with our current outstanding obligations based on the approximate ratio of scholarships awarded for last Academic Year as follows:

City of Foley \$7,000; City of Gulf Shores \$2,000; City of Robertsedale \$2,000

Contributions can be sent to South Baldwin Education Foundation, P.O. Box 1600, Foley, AL 36536. We will contact you at a later date about becoming a Sustaining Sponsor, for an amount that fits your budget, so that we can continue to provide Scholarship Sponsors and area students the support they need.

Again, we would like to thank you for all you do for our Community. If you should have questions, contact Norm at 251-943-5842, or email [nmoore@gulftel.com](mailto:nmoore@gulftel.com).

Thank you!
