RE: 40x60 Roof Only Pole Barn/Surrounding Fence Proposal

Dear Mr. Brown,

Sawyer Design-Build, LLC (SDB) is pleased to provide you with the following proposal for the development of permit drawings, as well as the construction of a 40'x60' "roof only" pole barn for your use in storing machinery and materials at your maintenance facility located at 920 East Pride Boulevard in Foley, Alabama. This proposal is separated into two costs: Engineering for the development of the permit drawings to be submitted to the City of Foley Building Department and Construction of the pole barn, installation of the new chain-link fence, and installation of a gravel pad beneath the pole barn.

Please let me know if you need anything else and thank you for the opportunity to provide this proposal.

Engineering:	Development of Permit Drawings	\$2,500.00
Construction:	40'x60' Pole Barn "Roof-Only"	
	Approximately 205L.F. of 6' Black Coated Chain-Link Fence with (3) 20' Gates	
	Installation of Gravel/Crushed Asphalt Base Parking Area Below Pole Barn	\$36,760.00

Please let me know if you have any questions and thank you for the opportunity to provide this proposal.

Thanks,

Triple Sawyer, P.E.
