Dear Mr. Reyes:

The City of Foley intends to conduct a hearing to consider revoking the Business License it previously issued to you for the above-referenced business. The reasons for the possible revocation is underage drinking, violation of last call ordinance and excessive police calls in direct connection with the licensed business. Business licenses are issued for the privilege of being able to operate a business and also serves as protection for our citizens.

Pursuant to City of Foley Code Section 5-21, the violation of any municipal ordinance or a criminal law of the State of Alabama by the business is grounds for revocation of the business license. The City Council will conduct a public hearing on June 7, 2021 which commences at 4:00 PM at the City of Foley Council Chambers (407 East Laurel Avenue, Foley, AL) to hear evidence offered by you, your agent, or any other party to determine if the business license should be revoked. This letter is your notice of that hearing. If you wish to forfeit the business license in advance of the hearing, please contact me prior to June 7, 2021.

Thank you for your cooperation in this matter.

Sincerely,

Jamie L Smith
