Hi David,

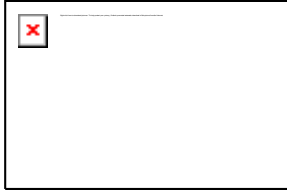

I am fine with adding this item to the agenda.

I am requesting to add this one item to the Council agenda. Katy said she will publish late tomorrow afternoon. Wayne, I will plan to be at your office at 9:30 for paperwork and to answer any questions.

Jeff's person did not bid on the project, but I think it is close enough for us to move forward especially considering the rising costs we have been encountering. Over \$20K would be for the 10% contingency, which we hope to not need. Jeff is calling them to see if there are any value engineering proposals they have; however, it will still be over budget since we can only go down 10%.

Good Morning Everyone,

Attached is the bid tab and the bid packet provided by GreenCo. Looks like we had \$180k budgeted for this project. At current bid pricing plus contingency, we would have to request \$46,548.50 from Council.

Thank you,

Logan Eberly
