Mayor and Council Members
City of Foley
PO Box 1750
Foley, AL 36536

The CAFFM, Inc., a 501(c)(3) corporation, provides a regular forum for members of the community to learn about sustainable farming and fishing practices, organic food growth and preparation, and other projects for education of the community.

Our current project is the renovation and expansion of a building addressed as 20733 A & B, Mifflin Road and located next door to our Farmers & Fishermens Market. The Board of Directors respectfully requests the City to waive permit fees to the minimum amount so that the Board may maximize the use of funding for the good of Foley Citizens and surrounding communities.

Respectfully,
