Please see the attached request to move forward with purchasing a replacement vehicle for Unit # 918 that was totaled during an accident on 12/21/2021.

AMIC will be sending a check for \$37,785.75 to cover the settlement.

Total cost of a replacement vehicle with equipment installed from the dealer is \$42,005.00.

We are requesting an increase of \$4,219.25 in capital.

Thank you in advance for your consideration!
