The cost of any expert retained by the arbitrator shall be a cost of the Arbitration to be paid as directed by the Arbitrator. Any information obtained by the Arbitrator from an expert engaged by the Arbitrator shall be disclosed by the arbitrator to the Parties to such Arbitration Dispute, and each such Party shall have the right to present evidence and/or testimony from such Party's own expert with respect to such matter or issue.

7.8 Deadline for Completion. The Parties shall cooperate in good faith to permit a conclusion of the Arbitration hearing within one hundred twenty (120) days following the submission of the Arbitration Dispute to the Arbitrator.

7.9 Remedies. Each Party waives and covenants not to pursue any claim for punitive or consequential damages arising from this Agreement, or from any breach thereof. If the Arbitration results in a determination by the arbitrator that an event of default has occurred, the waivers of consequential and punitive damages and termination rights set forth herein shall govern the damages and other remedies that may be implemented or ordered by the arbitrator. Neither the requirement to utilize nor the pendency of any Arbitration shall in any way invalidate any notices or extend any cure periods applicable to an event of default as provided herein.

7.10 Exclusivity. The Parties hereby agree to exclusively use Arbitration, rather than litigation, as a means of resolving all disputes under this Agreement. Notwithstanding any other provision of this Article 7 to the contrary, in the event any Party desires to seek interim equitable relief with respect to an Arbitration Dispute in the form of a temporary restraining order, preliminary injunction or other interim equitable relief concerning an Arbitration Dispute, including specific performance, provisional remedies, stay of proceedings in connection with special action relief or any similar relief of an interim nature, either before the beginning of, or at any point in, the Arbitration concerning such Arbitration Dispute, the Party may initiate the

appropriate litigation to obtain such interim equitable relief ("Equitable Litigation"). Nothing herein shall be construed to suspend or terminate the obligation of any Party to promptly proceed with the Arbitration concerning the Arbitration Dispute that is the subject of such Equitable Litigation while any such Equitable Litigation (and any appeal therefrom) is pending. Regardless of whether such interim relief is granted or denied, or whether such Equitable Litigation is pending or any appeal is taken from the grant or denial of such relief, the Parties shall at all times diligently proceed to complete the Arbitration. Any interim relief granted in such Equitable Litigation, or any appeal therefrom, shall remain in effect until, and only until, the Arbitration concerning the Arbitration Dispute that is the subject of such Equitable Litigation results in a settlement agreement or the issuance of an award following Arbitration.

7.11 Final Award. A written settlement agreement or arbitration award shall be the binding, final determination on the merits of the Arbitration Dispute (including any equitable relief but excluding any award of attorneys' fees or costs awarded or granted in the Equitable Litigation), shall supersede and nullify any decision in the Equitable Litigation on the merits of the Arbitration Dispute, and shall preclude any subsequent litigation on such merits, notwithstanding any determination to the contrary in connection with any Equitable Litigation granting or denying interim relief or any appeal therefrom. The Parties agree that any disputes which arise out of such a written settlement agreement or award shall be resolved exclusively by Arbitration pursuant to this Article 7, provided that any Party may institute legal proceedings in a court of competent jurisdiction to enforce judgment upon an Arbitration award in accordance with applicable law. The fees and costs of the Arbitrator shall be borne as directed by the Arbitrator; provided, however, that the prevailing party(ies) in any Arbitration shall be entitled to reimbursement for any costs of such proceeding, reasonable attorneys' fees, reasonable costs of investigation and any other expenses incurred in connection with such Arbitration in the manner directed by the Arbitrator.

7.12 Limitation BC Foley. Notwithstanding any language to the contrary in this Agreement: (a) the maximum aggregate liability of BC Foley, and the maximum aggregate amount which may be awarded to and collected from BC Foley in connection with any arbitration award shall not exceed the cumulative fair market value of Hotel A Site and Hotel B Site; and (b) no award or remedy (including any specific performance or other equitable remedy) may be rendered by the Arbitrator that requires BC Foley to take any action (or refrain from taking action) with regard to any property other than Hotel A Site or Hotel B Site.

7.13 Limitation Cooperative Districts. Notwithstanding any language to the contrary in this Agreement: (a) the maximum aggregate liability of the Cooperative Districts, and the maximum aggregate amount which may be awarded to and collected from the Cooperative Districts in connection with any arbitration award shall not exceed the cumulative fair market value of their portion of the Public Facilities Tract; and (b) no award or remedy (including any specific performance or other equitable remedy) may be rendered by the Arbitrator that requires either of the Cooperative Districts to take any action (or refrain from taking action) with regard to any property other than their portion of the Public Facilities Tract.

ARTICLE 8

REPRESENTATIONS, WARRANTIES AND COVENANTS.

8.1 Notwithstanding anything in this Agreement to the contrary, except as specifically provided in this Article 8, CIEDA, as an authority of a federally recognized Indian tribe, does **not** waive, limit or modify its sovereign immunity from unconsented suit or proceedings in any arbitration, mediation or litigation. In addition, the limited waiver of sovereign immunity set forth herein is limited only to claims by the City, the Entertainment Cooperative District and/or the Sports Cooperative District (collectively or each individually the “Authorized Claimant”), and does not include any waiver, either express or implied, in regard to any other person, individual, entity, cooperative, or body politic whatsoever.

8.2 Subject to and limited by the provisions of this Article, CIEDA does hereby expressly grant to the Authorized Claimant a limited waiver of CIEDA’s sovereign immunity from proceedings in litigation and enforcement of any litigation award in favor of the Authorized Claimant made in accordance with the terms of this Article 8. In addition to the other limitations contained in this Article, CIEDA retains immunity from litigation to the same extent that the Authorized Claimant is immune pursuant to Section 11-47-190 of the *Code of Alabama* (1975).

8.3 The time period of CIEDA’s limited waiver of sovereign immunity shall expire upon the opening for business of the Hotels and the satisfaction of the obligations in Section 2.1(e) and Section 2.1(g) (the “Liability Termination Event”). Upon the Liability Termination Event, this entire Article 8 shall be null and void *ab initio*, and this Article 8 shall thereafter no longer be given any legal effect whatsoever.

8.4 Notwithstanding anything to the contrary in this Agreement, the only assets available to satisfy any award, enforcement proceedings, or judgment against CIEDA shall be strictly limited to the assets of CIEDA. The assets of any affiliated tribal authority, tribal instrumentality, tribal enterprise, or the assets of the Poarch Band of Creek Indians, generally, shall not be available to satisfy any award, enforcement proceedings, or judgment against CIEDA.

8.5 Damages awarded against CIEDA can be satisfied only from assets specified in 8.4, above. In addition, notwithstanding any language to the contrary in this Agreement, the maximum aggregate liability of CIEDA, and the maximum aggregate amount which may be awarded against and collected from CIEDA in connection with this Agreement (including, without limitation, in connection with the breach by CIEDA of any or all of its warranties, representations, obligations or covenants contained in this Agreement) shall not exceed, in the aggregate, \$2,500,000, inclusive of all reasonable attorneys’ fees.

8.6 CIEDA grants the limited waiver of its sovereign immunity herein if, and only if, each and every one of the following conditions are met:

(a) The claim must be made only by the Authorized Claimant, and not by or in conjunction with any other person, individual entity or body politic;

(b) The claim alleges a breach by CIEDA of one or more of the specific representations, warranties, covenants, obligations or duties expressly made or assumed by CIEDA under the terms of this Agreement;

(c) The claim seeks:

(i) some specific action, or discontinuance of some action, by CIEDA to bring CIEDA into full compliance with the covenants, duties and obligations expressly assumed by it under this Agreement; or

(ii) money damages (but CIEDA expressly does not waive its sovereign immunity in regard to all punitive and exemplary damages) for breach of this Agreement. Money damages for this and all other claims (aggregated) shall in no event exceed the amounts specified in 8.5 of this Agreement.

(c) The claim is made in a detailed written statement delivered to CIEDA, stating the specific action or discontinuance of action by CIEDA which would cure the alleged breach or non-performance, and a reasonable estimate (if practicable) of the sum of money damages claimed to be due and owing from CIEDA to the Authorized Claimant by reason of breach of this Agreement and CIEDA shall have at least sixty (60) calendar days during which to cure such breach or non-performance or to make such payment of money damages before mediation or litigation may be instituted.

8.7 With regard to any claim that Authorized Claimant may have against CIEDA arising under this Agreement, such claim shall **not** be subject to arbitration. With regard to CIEDA, Article 7 of this Agreement shall not be given legal force or effect. Prior to bringing any claim or the institution of any proceeding against CIEDA, the Authorized Party and CIEDA shall each attempt, in good faith, to mediate the dispute. If mediation fails, the parties agree that the exclusive jurisdiction for any claim or legal proceeding arising out of or relating to this Agreement against CIEDA shall be the applicable federal courts of the Southern District of Alabama with subject matter jurisdiction, and all parties to this Agreement hereby waive any challenge to personal jurisdiction or venue in those/those court(s) with regard to any claims against CIEDA.

8.8 Notwithstanding any language to the contrary in this Agreement, the maximum aggregate liability of the City, and the maximum aggregate amount which may be awarded against and collected from the City in connection with this Agreement (including, without limitation, in connection with the breach by the City of any or all of its warranties, representations, obligations or covenants contained in this Agreement) shall not exceed, in the aggregate, \$2,500,000, inclusive of all reasonable attorneys' fees; provided, however, that this maximum aggregate amount does not waive any other defenses that the City may have. In addition, notwithstanding any language to the contrary in this Agreement, any liability or obligation of the City under this Agreement shall expire upon the opening for business of the Events Center.
