Chad,

We are planning our annual Business After Hours party in conjunction with the Alabama Credit Union and the South Baldwin Chamber of Commerce on November 25th. This will be our 11th year and each year we have requested Verbena Street from the Alley west of the Volkert office and east to Hwy 59 be closed from 4pm to 8pm on that day. We are also requesting that barricades be placed at each end to prevent traffic from using this portion of the street.

If you need anything from us to help with this request please let us know. Thanks again for your help and we hope you and the council will be able to attend.

Brett V. Gaar, REPA
Vice President
