RE: Alabama Transportation and Rehabilitation Program (ATRIP)

Dear Mayor Koniar:

As discussed Volkert Inc. will assist the City of Foley in preparing applications for projects related to the Alabama Rehabilitation and Improvement Program, ATRIP. The general program promotes improvements to local arterial and collector streets. The assistance may include reviewing potential projects for qualifications, performing field and map reviews, developing cost estimates, meeting with the city to review, completing applications and submitting to the Alabama Department of Transportation.

We look forward to assisting the city in these endeavors and if you have any questions please advise.

Sincerely,

VOLKERT, INC.

Thank you... Also never received any backup on the one from the last meeting. You might want to follow up with Volkert on the ATRIP item.

Vickey,

Forget about the ATRIP backup documentation. Because Baldwin County did not partner with the City for submitting CR20 for the Phase I submittals, we won't be submitting anything for Phase I ATRIP funding.

Butch
Easier said than done. Once the Council has approved something it needs to be in writing. We can then rescind.
But for this exercise I need something for backup the approval.

There was no money it went from a discussion item, to an approval by the Mayor/Council for Volkert to proceed with making an application for submitting an application for Phase I funding for Phase I ATRIP funds. It involved them doing a little "windshield study" work and writing the grant – which was a letter outlining the project components fit with the goals listed in the ATRIP grant outline. Then, from this rudimentary work, IF we got the grant, they would do the work.
