Explanation for budget increase/transfer:

The Environmental Department was previously awarded \$65,500 for the Alabama Department of Environmental Management GOMESA Litter Trap Grant. The grant was set to expire on March 31, 2026, but there were still \$4,000 left in grant funds for the project. The Environmental Department requested a grant extension and additional funding to cover the expected costs. ADEM has authorized a grant extension until August 31, 2026 and has granted an additional \$6,000 toward project costs. No additional matching funds are required. Staff requests to amend the budget accordingly: \$6,000 to 100-2040-4202 GOMESA Litter Trap Grant & \$6,000 to 100-2040-6026 GOMESA Litter Trap Grant Expense.
