Re: Foley Civic Center

Mayor Koniar & Members of the Foley City Council,

I am writing this letter on behalf of Family Promise of Baldwin County in regards to our use of the Foley Civic Center. We have scheduled our 5th Annual Chocolate Affair for the evening of Thursday, December 6th at the Foley Civic Center and are asking for your consideration in waiving the fees for the use of your facility. Family Promise of Baldwin County is a United Way organization, and provides food, shelter, and transportation for homeless families in Baldwin County. We operate through an interfaith hospitality network of over 20 churches and this is our primary fundraiser each year.

Any consideration given would be much appreciated, and we hope y'all will make plans to attend the event!

Sincerely,

A handwritten signature in cursive script, appearing to read "Jimmy Conyers".
