Attached is the NOI for the ADEM Permit for the CAFFM which will need a signatre from the Mayor and Randy Corlew. Also attached is the permit fee schedule which is \$1155. The only problem I have is that we are required to submit a detailed topographic map with our site location. I no longer have the software to develop those maps. We may have to have TTL prepare one for a small charge.

Please let me know if I need to prepare anything else or if you have any questions.
