Is this purchase listed on the capital projects plan in the approved budget? No

What amount is approved in the plan for this project? N/A

In what year is this project shown to begin in the plan? N/A

Description of the project and why the project needs to be completed at this time.
Project will consist of adding multiple cross drain pipes beneath CR 12, west of Meadowrun Subdivision.
These pipes will help utilize the available capacity in the southside ditch along CR 12.

Can your job be performed without the completion of this project? Please explain below.
N/A

Will not completing this project cause a public safety issue? Please explain below.
Utilizing the south side ditch capacity may reduce the water level during rain events along CR12.

Do you expect to come in, at, or under budget on this project? Please explain below.
A construction budget has not been established at this point. We request funding the survey proposal now (\$5,750.00), with the construction likely to take place in FY 22. Engineering plans to perform the design in-house.

Is there a grant associated with this project? No
If so please list below the grant amount and the match required by the City.
