Attn: Mayor Koniar
Council Members

Greetings,

We are asking for permission to do a benefit fish fry to Eddie James who is in need of a liver transplant. He has been battling this disease for 3 years and has finally been put on the list with Oschners Hospital in New Orleans, Louisiana. Eddie and his family have been lifelong residents of Foley and the surrounding areas.

I understand this is short notice but we are looking to use the Max Griffin Park if it is available on November the 21st from approximately 8:30AM until 3:30PM. The actual fish fry will only last from 11:00AM until 2:30PM but we would like to make sure we have plenty of time for set up and clean up afterwards.

Your cooperation with this would be greatly appreciated.

Please contact one of the individuals below with any questions or concerns.

Sincerely,

Teresa James
