Is this purchase listed as a capital purchase in the approved budget? Yes

What amount is approved in the budget for this purchase? \$20,000

Description of the item and why the item is needed at this time.

15' Bushhog

The current bushhog was damaged in the storm and needs repairs. A new bushhog was budgeted for FY21.

Due to the age and repairs, we feel it is best to purchase a new one now and repair the old one as a backup.

Can your job be performed without the purchase of this item? Please explain below.

No. The current bushhog is not functional at this time.

Have you obtained any quotes on the purchase to determine if it will come in, at, or below budget? If so, please attach.

The 15' John Deere bushhog is on the state bid list meeting our specifications.

The price is \$19,904 which is slightly below the budgeted amount.

Is this to replace a current capital asset? Yes

If so please list below the item being replaced and why it can not be used any longer.

We have a 15' bushhog that this will replace, but we plan to keep it as a backup.

How do you plan to dispose of the item that is being replaced?

We will keep the existing bushhog as backup.
