

CALVARY CHAPEL FELLOWSHIP OF FOLEY

June 13, 2013

To the City of Foley:

Calvary Chapel Fellowship of Foley is requesting that the city would consider waving or reducing our building fees since we are a church. Calvary Chapel was established in the City of Foley in 2009 and is now a food pantry in the city of Foley receiving food from the Bay Area Food Bank in Mobile we have 250 families from this community at this very moment receiving food from the church at no cost to them. Our church is now part of the EMA disaster distribution places that those in our community can come and receive food and supplies in the case of a disaster. As the Pastor of this church I am a chaplain for the Baldwin County Sheriff Department and one of Chief Wilsons lead chaplains of the Foley PD CISM debrief team here in Baldwin County. So I am very involved in this community and in this county and I am asking the city to consider the reduced building fees for our Church.
