NOTICE TO PURCHASER – 1 YEAR LIMITED WARRANTY

True American Classics, Inc. warrants to the Original Purchaser (Owner) that any of its vehicles shall be free from any material defect for a period of 120 DAYS while in the possession of such Original Retail Purchaser. This warranty IS NOT TRANSFERABLE to any subsequent buyer.

The warranty period is extended to one (1) year or one thousand (1,000) hours, whichever first occurs. This warranty does NOT cover the drive unit (complete) as the respective manufacturers cover such parts. For additional information, see the warranties covering these units supplied with your G.O. train. TRUE AMERICAN CLASSICS, INC. makes no warranty or representation with respect to any item that, in TRUE AMERICAN CLASSICS, INC.'s sole opinion, shows evidence of negligence, misuse, abuse, collision, or alteration.

This warranty shall not apply to normal requirements as described in the User Manual and to damages during shipment. The latter is the carrier's responsibility. No compensation will be allowed for delays.

It is the responsibility of the owner of the vehicle to make sure that the driver is properly trained and instructed in the safety features and operation of the vehicle.

To initiate the warranty coverage on any TRUE AMERICAN CLASSICS, INC. vehicle, the customer must communicate the problem to TRUE AMERICAN CLASSICS, INC., which in turn, will determine and communicate the appropriate procedure to the customer. If the procedure requires on-site (customer location) servicing, TRUE AMERICAN CLASSICS, INC. will determine the authorized service that will perform servicing. TRUE AMERICAN CLASSICS, INC. has up to 48 hours to send a qualified technician to service the unit except Saturday, Sunday, and public holidays. NO on-site service work available after hours (after 5pm). In the case where warranty parts needed to be sent to an authorized service center, all transport cost will be at the expense of TRUE AMERICAN CLASSICS, INC. It is the responsibility of the owner to ship back to TRUE AMERICAN CLASSICS, INC. any defective part.

International Customers who seek warranty work must allow TRUE AMERICAN CLASSICS, INC. ample time to find the qualified service centers or individual technicians to service the unit. No time limit must be imposed on TRUE AMERICAN CLASSICS, INC. as to the matter.

TRUE AMERICAN CLASSICS, INC. is NOT liable for any income loss directly or indirectly or bears any financial responsibility while the unit is in repair, awaiting

replacement parts to arrive or while the unit is in transit for repair work. TRUE AMERICAN CLASSICS, INC. is not and will not be liable for any loss of income as a result of the warranty work.

Operators shall read, understand, and follow all safety operating instructions in TRUE AMERICAN CLASSICS, INC.'S Operation & Maintenance Manual (this book) before operation and must always evaluate and care for all peculiar situations that he or she may meet while driving. The driver assumes the inherent hazards related to this activity and is responsible for any passenger on the train, just like for any other passenger carrying vehicle. Therefore, the driver MUST be at least 18 years of age and preferably 21 years of age.

TRUE AMERICAN CLASSICS, INC. disclaims any liability for incidental or consequential damages including, but not limited to, personal injury or property damage arising from vehicle misuse, lack of maintenance or any defect of the vehicle.

It is the responsibility of the Owner of the vehicle to make sure the service technicians are properly trained. Service technicians shall read, understand and follow instructions in the TRUE AMERICAN CLASSICS, INC. manual before servicing the vehicle. Only qualified and authorized personnel shall be permitted to maintain, repair, adjust and inspect the vehicle.

TRUE AMERICAN CLASSICS, INC. prohibits, and disclaims responsibility for any vehicle modification altering the weight distribution and stability, increasing the speed or affecting the safety of the vehicle. Such modifications can cause serious personal injury or property damage for which TRUE AMERICAN CLASSICS, INC. disclaims any responsibility.

For Owners that are located outside North America, the warranty period starts the date of shipment from the factory, and the defective parts must be returned at the Owner's expense to TRUE AMERICAN CLASSICS, INC. prior to warranty repair.

Customer Signature: _____

Engine Serial Number: SCT _____

American Freedom GO Number: _____

Customer must sign this document and send a copy to TRUE AMERICAN CLASSICS, INC.'s Corporate Office within 15 days of receiving the American Freedom Unit, else the warranty is deemed void and non-active.
