Hey Dan, sorry for taking so long to get back to you on this here is the quote on the tx gator you wanted.

The quote doesn't include the top and windshield because it is not a John Deere brand attachment we get them through another supplier so they have to be billed separately because they are not on the state contract... let me know if you have any questions or concerns!!!! thanks

4 post Top cost \$499.00

Windshield cost \$174.99

Total \$673.00
