VISITOR'S COMMENTS

LaDonna Hinesley noted that today is the 98th Birthday of the City of Foley! She also reminded everyone that the Snow Bird Reception is tomorrow, January 8, 2013 at the Foley Civic Center and invited everyone to stop by.

Mike Thompson noted he is working with Representative Steve McMillan on a new local law to address the high cost of having to advertise and post notice for declaring weeds a public nuisance. He noted that it costs more to run the legal ads and post signs then it does to actually abate the nuisance. Representative McMillan was able to get a similar local law passed for the City of Auburn and he will be placing this into Legislation on behalf of the City of Foley.
