Wayne,

Attached is a capital request for a front mount mower from Public works. We typically replace one a year coming into the mowing season. Looks like it is under budget.

Mike

Attached is a quote and Capital Purchase worksheet for a new front mount for the street department. This is a budgeted item and falls below the budgeted amount. Normally this would be a replacement, but considering we had one burn, the burnt one is the replacement. Please approve and pass along to Wayne for the March 5 agenda.

Thank you

Darrell Russell
