Re: Three (3) 2007 Ford Crown Vic Patrol Cars

Dear Chief Wilson,

The Town of Mount Vernon and the Mount Vernon Police Department would like to hereby request the three (3) Ford Crown Vic patrol cars, outfitted with their cages, lights, sirens and any other equipment you deem feasible. These cars would be used for our growing force and would be greatly appreciated by the department as well as the townspeople.

We look forward to working with you and your department in regards to this gracious donation by your city and its police department.

Sincerely,

Chief Byron Reynolds
