PROFESSIONAL EXPERIENCE

CALDWELL WENZEL & ASTHANA, PC, 2012-PRESENT

Attorney & Counselor at Law *Foley, Alabama* (2012-Present)

Principal attorney in a full service law firm co-founded by Randall Caldwell, Drew Wenzel & Deepti Asthana.

- Litigate domestic relations, child custody, misdemeanor criminal, and civil disputes in Alabama.
- Develop estate plans and long term care plans for clients in the Baldwin County area designed to achieve objectives after death or in the case of disability.
- Advocate for clients and present cases to the probate court for the administration of estates, appointment of guardians, and adoptions.
- Mastermind short and long term business plans for the law firm aimed at achieving strategic objectives.
- Run day to day financial operations with respect to the business of the law firm including budgeting, forecasting, procurement of materials and services, and oversight of all billing and accounting operations.

BAKER & MCKENZIE, LLP, 2010–2012

Law Clerk *Toronto, Ontario* (Summer 2010 & August 2011-June 2012)

Assisted lawyers in a large international law firm in research and advocacy with respect to a number of large international business clients.

- Researched issues related to litigation disputes with respect to intellectual property, administrative law issues, contracts, and commercial transactions.
- Facilitated the immigration of international employees to Canada from parent companies overseas.
- Managed research projects with respect to international protection of intellectual property such as trademarks, and copyright material.

UNITED STATES ARMY, 2001–2008

Established an exemplary record of leadership and public service and logged over 500 flight hours while serving as an aviation officer in the United States Army.

Aviation Manager & Assistant Operations Officer *Fort Drum, New York (2007-2008)*

Coordinated team activities and training programs in preparation for aviation combat operations.

- Developed training programs designed to prepare teams for military aviation operations within life-threatening environments requiring keen attention and cultural sensitivity.
- Led the planning and documentation of training initiatives in preparation for team deployment to international locations.

Assistant Operations Officer *Fort Campbell, Kentucky & Tikrit, Iraq (2006-2007)*

Directed operations and logistics for an aviation programs center, including cargo, utility, and medical evacuation helicopter operations.

- Authored a tactical plan to streamline relocation of 32 vehicles and 600+ team members.
- Maintained reporting procedures for varied projects, performed systematic updates and documented maintenance, scheduling, and mission trends/completion.
- Recognized as an exceptional project manager while overseeing multiple complex and critical re-supply initiatives within demanding environments.

Team Leader *Fort Campbell, Kentucky & Mosul, Iraq (2003-2006)*

Accountable for the professional training and personal welfare of 31 team members, and the maintenance and safe operation of 4 cargo helicopters valued at \$18M+.

- Supervised mixed nationality teams in critical operations, and effectively worked with Iraqi interpreters and officers to resolve conflicts.
- Recognized as the only team leader of four in the unit to achieve pilot-in-command status.
- Completed extensive professional leadership training.
