What amount is approved in the plan for this project? 120,000

In what year is this project shown to begin in the plan? 2023

Description of the project and why the project needs to be completed at this time.

Major flooding from a stream on Co Rd 12 has caused urgency in drainage improvements east of highway
59 due to a concern for public health and safety.

Can your job be performed without the completion of this project? Please explain below.

NA

Will not completing this project cause a public safety issue? Please explain below.

Yes, the flooding on Co Rd 12 causes a safety issue and has even resulted in the road being closed at times due to deep water
rushing over the road.

Do you expect to come in, at, or under budget on this project? Please explain below.

Over the expected amount. The severity of the issue calls for a more in depth clean out of this area.

Is there a grant associated with this project? No

If so please list below the grant amount and the match required by the City.
