The Honorable: Mayor and Council
For: The City of Foley, Alabama
407 E. Laurel Ave.
Foley, Al. 36535

Dear Officials

This letter is written on behalf of the Little Rock Missionary Baptist Church congregation and the surrounding community.

We The Little Rock Missionary Baptist Church are in the process of expanding our facilities with additional classroom, administrative, and restroom spaces. Our plans are to continue, as per our current use, make these facilities available to the community as needed for meetings, youth activities, and after school academic support.

We also plan with this new expansion to make application to FEMA thru The Baldwin county EMA, to be designated as a Mobile Point of Distribution (POD) for the local rural area. This facility would then be utilized for vehicles to drive into the area and provides commodities at this drop location if the need is identified. This type of distribution is common in rural areas and where roads are / maybe damaged and there is not a clearly defined transportation support system to provide essential needs to the immediate affected areas.

We have paid the city of Foley \$770.00, for plans review and the plans have been approved. There remains to be paid \$1,575.00 for permits. We are requesting your favorable consideration to waive the \$ 1,575.00 considering current and potential benefits to the local community and to the surrounding area.

Thank you for your continued support,

Vernie Heard Sr., Chairman of Deacon Board

Andrew Thomas, Chairman of Trustee Board

Renetta McGowin, Church Secretary
