

Capital Project Worksheet

Directions:

Please complete all questions below and submit to Mike Thompson and Wayne Trawick for approval. If this project is approved, you must complete the Pre-Project Worksheet and Budget forms.

Submitted by: David Thompson

Date Submitted: 8-Apr-19

Is this purchase listed on the capital projects plan in the approved budget? Yes

What amount is approved in the plan for this project? \$80,000

In what year is this project shown to begin in the plan? 2018/2019

Description of the project and why the project needs to be completed at this time.

We need to build a storage facility for our equipment, our field drying agents, chemicals, and equipment.

Can your job be performed without the completion of this project? Please explain below.

Yes; however, equipment depreciates faster and requires more repairs. Also drying agents need to be inside.

Will not completing this project cause a public safety issue? Please explain below.

No

Do you expect to come in, at, or under budget on this project? Please explain below.

Yes, under budget. We are requesting \$70,000 for all of the work.

Is there a grant associated with this project? No

If so please list below the grant amount and the match required by the City.
