

Capital Project Worksheet

Directions:

Please complete all questions below and submit to Mike Thompson and Wayne Trawick for approval.

Submitted by: David Thompson

Date Submitted: 4/25/2024

Is this project listed on the capital projects plan in the approved budget? Yes

What amount is approved in the plan for this project? 45,000

In what year is this project shown to begin in the plan? FY24

Description of the project and why the project needs to be completed at this time.

This project will be a upgrade for the Foley Sports Tourism Multi-Use Fields.

This pole barn will help to preserve the equipment from the elements.

Can your job be performed without the completion of this project? Please explain below.

Yes, it can be performed but the equipment will not last as long being exposed to the elements.

Will not completing this project cause a public safety issue? Please explain below.

No

Do you expect to come in, at, or under budget on this project? Please explain below.

We intend to come in at budget or under budget.

Is there a grant associated with this project?

If so please list below the grant amount and the match required by the City.

There is currently no grant associated with this project.

This project will build a lean-to for storing equipment out of the elements. We are requesting design work now and permission to go to bid. This project should be complete prior to the end of fiscal year. . Thanks for the consideration.
