### ***Accompanying Documents:***

#### SITE PLAN:

See included image of Raymond C Christiansen Sports Complex

#### UTILITIES PLAN:

No Electrical Utilities Needed

#### SECURITY/SAFETY PLAN

We will obtain the cell phone numbers for each participant. We will not close out the event until all riders have checked in at the event finish line, or are otherwise accounted for.

#### EMERGENCY ACTION PLAN

One Lions Club officer will be monitoring local and regional weather. He will bring any concerns to the three leaders on the event staff. They will make a decision on how to proceed.

All participants will be notified by provided cell phone numbers in case high-risk weather conditions arise. They'll be advised to take shelter or to request pick-up.

If necessary, the event will be cancelled and all participants advised to return home.

Plans for injured participants or lost children: Local 911 services will be used. An ACLS/PALS certified RN will be on-site for immediate first aid requirements.

Regarding securing potentially dangerous items: if necessary due to weather, event materials will be stowed in event staff vehicles.

#### MEDICAL PLAN

Plans for injured participants or event staff: Local 911 services will be used. An ACLS/PALS certified RN will be on-site for immediate first aid requirements. Professional will be provided with First Aid materials per her specifications.

#### WASTE MANAGEMENT PLAN

Event staff will remove all event-related waste from the site at the end of the event.

## NOISE CONTROL PLAN

None needed.

## ROAD CLOSURES

We don't anticipate the need for road closures at this time.

## ADDITIONAL SERVICE PROVIDERS

None.

## MARKETING MATERIALS

Robust signage will be erected at the event site, on the morning of the event, and removed at the conclusion of the event.

In the week proceeding the event, we will also place 12x18 inch signs along the bicycle routes to help riders follow the routes. We will pick up all our signs within 5 days.

## CERTIFICATE OF INSURANCE

Lions Clubs' local chapter events are covered by the liability insurance held by Lions Clubs International. A certificate will be provided at least 5 days prior to the event (November 10, 2025).
