Contract No. - 40472

Foley Floriculture, City of

Installation of LED Bluetooth Color Changing Light Fixtures:

Install 2 Alliance it300 Bluetooth Lighting Transformers. One transformer will be installed on each side of the sidewalk leading to the football stadium ticket booth.

Install 12 LED Bluetooth Color Changing Light Fixtures in each of the two large live oaks to light the sidewalks below along South Pine Street (24 total lights).

Connect Brown Lighting Wire to the newly installed transformers, burying the wire between the transformers and the trees.

Lighting wire will be connected and running up the tree as inconspicuously as possible.

Adjust light angles to the most effective coverage of the sidewalk area.

The proposed light fixtures are LED Bluetooth Color Changing Fixtures that are controlled by a cellular phone application. Each individual light can be changed to any color on the color wheel, allowing the option of alternating colors throughout each of the trees. So they can be used simply for white light, or be changed to school colors or colors indicative of an upcoming holiday.

Total	\$12,900.00
-------	-------------

All provided plant material is covered under a ninety (90) day warranty period with proper maintenance and irrigation. Transplanted materials or plants not covered by irrigation will not be warranted. Any losses due to acts of God (fire, wind, freeze, etc.), deer, dogs or neglect will not be covered under warranty.

This proposal is valid for thirty (30) days. Thereafter, it is subject to change without notice. Payment shall be requisitioned as follows: 100% due upon completion. If payment is not received within thirty (30) days, Customer agrees to pay a 1.5% per month service charge that will accrue on the unpaid balance. The customer has five (5) days to notify LWI in writing of any deficiencies in the work performed.

If this proposal meets with your approval, please sign and return via email or fax. If we may be of further service, please do not hesitate to call.
