Good Afternoon!

Please find below a request for a budget increase due to Hurricane Sally damaging a patrol tahoe and AMIC declaring it a total loss. We are requesting the increase to proceed with purchasing a replacement from Donohoo Chevrolet.

I am fine with this but I wanted to make sure that I understand the net effect. The net effect looks like it is about \$10k to our budget after recognizing the insurance payment. But does that mean we are salvaging all of the add ons that go on a police vehicle because I do not see where there is any request for the police package that we put on the vehicles.

Good Afternoon,

Per Lt. Fuqua who is out, we are salvaging the equipment.
