To Whom It May Concern:

For the past five years, the Hispanic community has been celebrating National Hispanic Heritage Month and Columbus Day with the "Dia de la Raza Festival". This festival has been sponsored by the Foley Police Department Community Service and area Hispanic churches. The festival gives the Hispanic community the opportunity to display their rich culture through music, dance, food and games.

Dia de la Raza Festival will be held this year at the Foley Soccer Complex on Sunday October, 19, 2014. The festival has been attracting many people from the Spanish and non-Spanish speaking population in our community. This has been a great opportunity for local businesses and governmental agencies to reach out to the community.

We look forward to the support that the City of Foley has provided in the past for the use of the Foley Soccer Complex facility.

Thank you,

Albert Lugo

Hispanic Relations Officer
