Quick interest form - No Obligation

# Support Local Kids. Strengthen Our Community.

At the YMCA of South Alabama, our mission is to strengthen the foundations of our community through youth development, healthy living, and social responsibility.

Each year, we serve thousands of children, families, and individuals across Mobile and Baldwin counties through programs that promote confidence, character, academic success, and lifelong wellness.

Proceeds from the Fore the Kids Golf Classic help provide:  
Access to youth sports, childcare, and afterschool programs  
Scholarships for families who need financial assistance  
Safe, inclusive spaces for children and teens to grow  
Wellness and prevention programs for all ages

Currently, the YMCA operates branches in Daphne, Foley, Spanish Fort, and Saraland, and continues working to expand access to additional communities in the future.

When you support the YMCA, you are investing directly in local children, local families, and the long-term strength of our community.

Together, we are building healthier futures - one child, one family, and one community at a time.
