Wayne,

These are budgeted capital items. Although combined they are \$15k over, I only see the cost going up not down. So I would support us moving forward with placing this on the agenda prior to further increases occurring.

Mike

Please review the attachments for a new recycle truck and dumpster hauler. The residential recycle truck comes in \$29K over budget and the dumpster hauler is \$15K under budget. A net of \$14K over the FY 22 budget. It has been a real challenge to find these trucks and a bigger challenge to find this kind of pricing even though its this expensive.

The appropriate capital worksheets are attached. Please approve and pass to Wayne for the March 7th agenda.

Thank you

Good morning Darrell,

Attached are the capital purchase worksheet and quote with pictures for the 2022 Recycle Truck with 2022 Dumpster Hauler - Ford F600 with Stellar CCR Container Carrier Body. I will put it on Legistar as soon as we get the approval to do so. Have a great day!
