To the City Council of Foley

It is with great excitement that I write this letter to y'all. Calvary Chapel Fellowship of Foley is about to build our first church building on the 15 acres we purchased on Underwood Road. It will consist of a 6,500 square foot building, parking lot, children's playground, as well a grass area in which the children can play baseball soccer, football etc. We will be submitting our plans to the city in just a few weeks. I am writing this letter to ask the City Council to wave our building, zoning, environmental, engineering, and any other applicable fees to be waived that may be incurred This is only the start of what Calvary Chapel has envisioned for our church in the City of Foley. It is our goal to be an active part of this community in making a difference and having a facility that will reach the youth of our community and their families. Thank y'all for all you do for our city.

Sincerely yours,

Pastor Joe Aldrete
