Hi Kate,

Now that July 4th is over I can move on to the next holiday. I'd like to ask permission from City Council to reconsider a new date for Labor Day. In our initial request September 3rd was listed as the date we'd shoot the fireworks. We are having a car show on property, I would like to change the date to September 1st.

Please let me know if this new date is approved.

Sincerely,

Lynn Woodcock
