Taylor,

The estimate to add lights on these poles came out to \$19,952.89 with a monthly rate total of \$80.00 (\$10/Light/month).

It breaks down to:

Cobra Light Installs on Existing Wood Pole - \$400 (8 @ \$50.00 ea )

Light Circuit Install and Make-Ready - \$19,552.89

Let me know if you need a rough photometric overview for this.

Thanks,
