Hi Ladonna,

I am fine with bringing this to council.

Hi Mike,

I'm working on a resolution to memorialize funding that was used to upgrade the lighting in the Railroad Museum exhibit hall. The total amount of the project was \$7,162.04. Finance flagged it as it exceeds the \$5,000 capital projects threshold.

I'm requesting permission to take this to council to move the funds from operations to capital.

The permission request is attached.

By the way, this project looks amazing. \$6,200 of it came from a grant from the Alabama Historic Commission. We have a new exhibit that will be going in within the next two weeks. We plan to do a big reveal when it is all completed.
