RE: Sherwood – Phase 1

Mr. Christian,

I offer this letter on behalf of Mr. Breland and Gulf Beach Investment Co of Perdido, LLC. Mr. Breland has given me the authority to act on his behalf and represent him on this matter.

Mr. Breland is requesting that the City of Foley accept the streets and infrastructure related to Phase 1 of the Sherwood subdivision. As part of the acceptance, Mr. Breland has agreed to include asphalt and curb repairs, as per our on-site meeting of 11/8/18, as part of the Sherwood 3 construction.

Illustrations of sections needing repair are attached hereto.

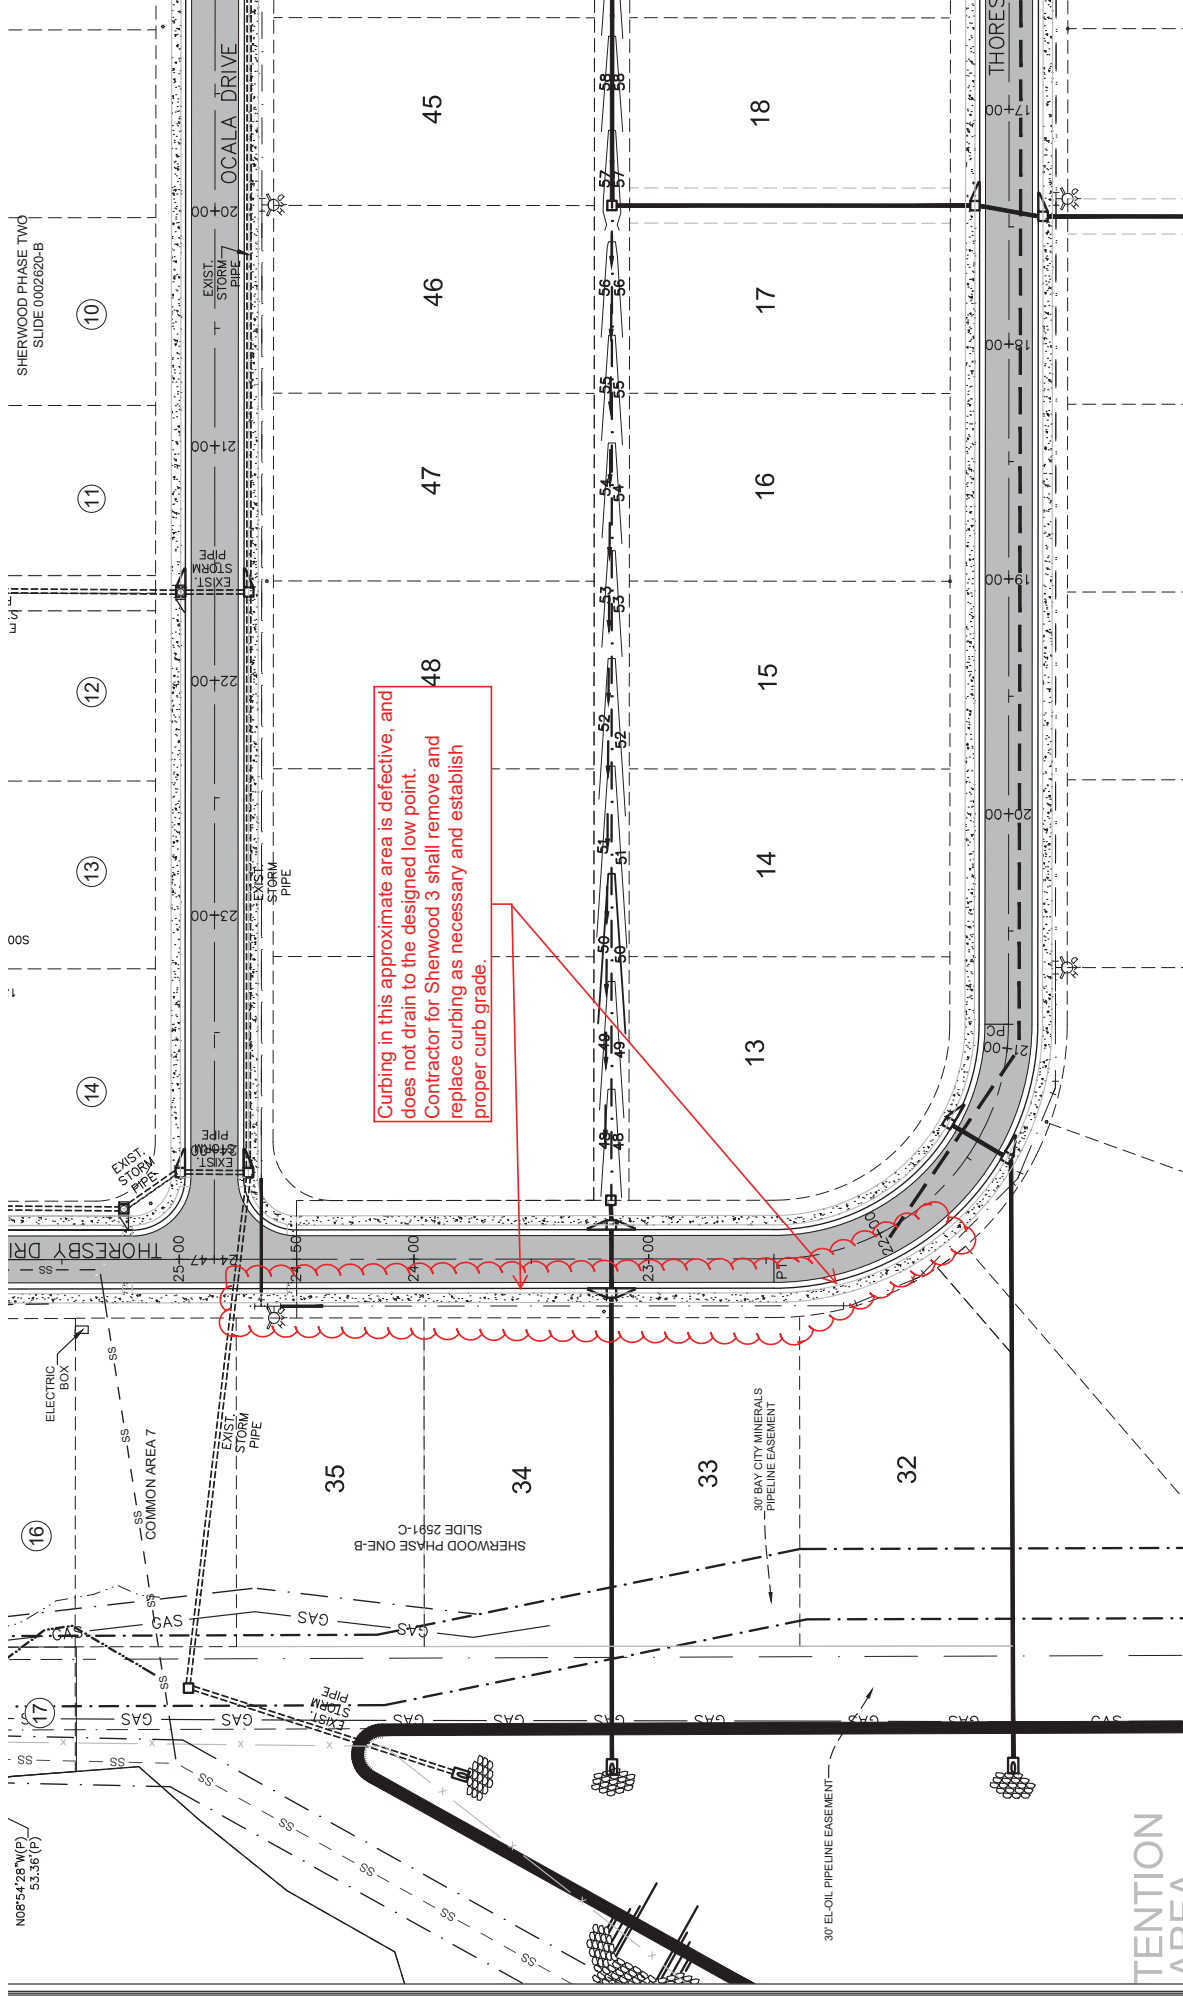

Thank you for your consideration,

Barry E.
