**Lake View Estates Property Owners Association  
P.O. Box 984  
Foley, AL 36536-0984**

Dear Mayor and Council,

Lake View Estates, respectfully requests financial assistance from the City of Foley, to fund construction of a replacement sign for our community. Our previous sign, which had identified the Fairway Drive entrance to our community, was demolished to make Fairway Drive more accessible for the Fire Department. We are pleased with the addition of the Fire Station and the added security it provides, but are faced with a substantial replacement cost for the demolished sign.

Please consider funding \$5,385 of the cost of \$8,568.62 to replace the sign:

|                   |            |
|-------------------|------------|
| Sign:             | \$5,385.00 |
| Lettering:        | \$3,083.62 |
| Permit from City: | \$ 100.00  |

We have complied with the sign regulations, of the City of Foley, and seek to complete construction ASAP. Your financial assistance will reduce the burden of the replacement for our community, many of whom are on a fixed income.

Thank you for considering our request. Please direct any question to me.

Regards,

Richard Dayton, President  
Lake View Estates

Sylvia,

Attached is the proof for the double-sided sign at the entrance.

I did not have the diameter of the curve at the top of the sign, so I just made an angle.

The area is just the flat, sign area portion of the sign structure. Since we separated "Lake-View",

and to make sure the letters would fit, we went from 12 ½" in height of the large green letters, to

10 ½" in height for the new large letters. The large green letters are custom made, which they have

to make the molds for these letters special from the design attached. The company saves custom

molds for only 12 months, which is why we couldn't use the molds from a few years ago.

The prices (both sides) are as follows:

8 - 10 ½" CUSTOM letters/Green \$141.50 each letter - \$1,132.00

40 - 6" Goudy Extra Bold letters/Black \$17.90 each letter - \$716.00

Shipping Charges for the letters and patterns - \$43.00

Mounting Pattern (shows accurately where every hole for the letters

need to be drilled into the stucco wall) \$235.00 each side - \$470.00

Installation (labor charge for installing every letter

into the stucco area) \$257.00 each side - \$514.00

Total amount for both sides / complete job - \$2,875.00

Tax

(on materials) 208.62 Total of job/both sides including tax \$3,083.62

\*A deposit of 50% required to begin job, with the balance due within 10 days of completion
