

## PERMIT FEES:

### 4. Permits and Fees.

Section 1. Permit Fees shall read as follows: "Each person, firm, corporation or other entity engaged in any construction or construction-related activity for which a City building permit is required shall, before the commencement of work, pay the appropriate building permit fee. For the purpose of determining the fee for the issuance of a building permit, the value of the requested work is determined by the City of Foley ~~Inspection~~ **Building** Department which may consider the most current version of the Building Valuation Data published by the International Code Council, ~~bona fide~~, signed contracts, local averages based on the square footage of the project ~~(currently the minimum valuation for new residential one and two family construction will be figured at \$80 per square foot for conditioned space and \$40 per square foot for unconditioned space)~~, or any other evidence of the cost or value of the work. The following fees shall be charged for the issuance of building permits based on the total value of work, including materials and labor." **For the purpose of calculating permit and Impact fees, the valuation utilized shall be the greater of the calculated valuation or the stated valuation.**

~~For single family, duplex, and townhome new residential construction, the permit valuation shall be calculated on a square foot basis utilizing standardized construction cost data published periodically in the ICC Building Valuation Data as published by the ICC as follows:~~

**For new single/two-family dwellings, and townhome construction, the building valuation shall be calculated on a square foot basis utilizing standardized construction cost data published in the International Code Council Building Valuation Data (BVD) as follows:**

Conditioned Spaces: 85% of the Square Foot Construction Costs ~~set forth~~ **specified** in the BVD using the "R-3 Residential, and two-family" ICC Group classification and the "VB" ICC construction type column. Unconditioned Spaces: 100% of the Square Foot Construction Costs ~~set forth~~ **specified** in the BVD using the "U Utility, miscellaneous" ICC Group classification and the ICC construction type column. ~~The initial ICC BVD in effect as of the effective date of this Ordinance is the August, 2023, edition attached hereto as a link to the ICC website (<https://www.iccsafe.org/>) and will be posted every six (6) months with the ICC update.~~

Any new residential construction that is not single/**two family dwelling, duplex, or townhome** **townhouse permitted under the International Residential Code** construction shall be subject to the Commercial **Construction** Permits ~~Fees~~ **valuation methodology set forth specified** in Section ~~1 5 and Section 2.~~
