Just a very family friendly event to promote our City our skate Park and there are truly some very incredible kids with skate talents that do no drugs and do not drink Alcohol or smoke.

I believe the more positive things we can introduce to the youth of our culture they will see there is a more positive and better way to live.

Calvary Chapel Fellowship of Foley will play a major part in the coordinating of this event along with the Foley Police Department who is doing an amazing Job at the Foley skate park building a trust and relationship with the youth of our community at the skate Park.

Thank you Chief Wilson for investing in the youth of our community and exemplifying a positive and caring image with the kids at the skate park through your officers and keeping it a safe environment for our kids.

I would like to also thank the City of Foley for putting in the skate park for our youth in this community. Lets use it to build a positive image for our kids, who knows what pro skater it might produce.

I am asking the City Counsel to consider this event and approve it for the good of our community and showing these kids that we acknowledge them and the sport that they have a passion for.

We do have some local sponsors (Innerlight skate & Surf in Gulf Shores)for this event as well as a very successful and popular sunglass company called (Nectar) and a Christian clothing company (Submissive Creations)

Bellow is the flyer ready to be produced at the approval of the City Counsel for this event.
