Dear City Council,

Women's Care Medical Center (formerly known as Sav-a-life) is a 501c3 organization and has been providing free resources to women in unintended pregnancies since 1990. We are also partners in education with the Baldwin County Board of Education and provide abstinence education programs free of charge. We are located in Robertsdale and serve the entire county. Last year alone we served over 2600 clients and taught over 4600 students from all across our county.

I am requesting your permission to use the John B. Foley Park for our annual Walk for Life to be held on **March 11, 2017** from 8:00 a.m. until 10:00 a.m. We expect around 75 people. The walkers do not come all at once, but come at various times throughout the two hour event.

We do not receive any government funding and rely heavily on our Walk for Life to be able to continue to serve women and children and provide abstinence education in our schools. Thank you in advance for your consideration to waive any fee that may be required to use the John B. Foley Park.

We are thankful for your past gracious welcome in Foley and remain grateful for our partnership in helping women in unplanned pregnancy. Thank you for your kind consideration in using your park.

Sincerest Regards,

Sue Leavins
Executive Director
