A Resolution Approving A Firefighter Cancer Policy

Fire Chief Joey Darby reported to the Council that the state has now passed an act that requires municipalities to provide full time, career firefighters with a cancer policy. Chief Darby reported to the Council that policies are now available through Alabama First Responders Benefit Program and the policies must be in place by January 1, 2019. Chief Darby reported to the Council that this act does not require the policies to be provided to volunteers but does allow for that. Chief Darby reported to the Council that the funds to provide cancer policies to both full time, career firefighters and active volunteers has been budgeted. There was a consensus to add item 19-0670 to the December 16, 2019 Council Meeting Agenda for consideration.

Enactment No: 19-1395-RES

Discuss Environmental Impacts of Coal Ash

Nolan White with Do2E Wastewater Treatment, LLC reported to the Council that just north of Mobile Alabama Power has a 600 acre coal ash pond in an unlined lagoon. Mr. White reported to the Council that if this pond were to

overflow it would be worse than the BP Oil Spill due to the waste that is in these ponds. Mr. White reported to the Council that Southern Company has cleaned out the ponds in Georgia and it is important to get them to do more than just capping the pond near Mobile. Mr. White requested that the Council send letters to Alabama Power to request the company to do more to clean out the pond than just capping it off.
