

**You are invited to the
23rd Anniversary Celebration
of the
Alabama Tourism Bash**

Tuesday, April 22, 2025 • 5:00 – 8:00 PM

RSA Activity Center - Montgomery

Would you please make plans to join hospitality and tourism professionals from around the state to host our lawmakers at one of the best-attended receptions during the legislative year? The Tourism Bash helps inform our elected officials about the economic impact of the Alabama Tourism Industry. In addition, the event offers an opportunity to visit face-to-face with the men and women who make decisions that impact tourism statewide. Invite your board members, city and county officials to join you at this “can’t miss” annual event. While the Tourism Bash offers the perfect chance to mix and mingle with our legislators, it also serves as the primary fund-raiser for the Alabama Tourism Partnership, which works year-round to promote the interests of the Tourism Industry in the state.

TOURISM IS ECONOMIC DEVELOPMENT!
