Dear City of Foley:

We are continuing the work of God in Foley as we have been mandated to do which includes the upkeep of the physical church building located at 412 2nd Avenue. Last month, the church successfully secured a zoning waiver to house a child development center/school as another layer of commitment to God and community to deliver righteous spiritual and educational offerings. This letter is written to ask the City Council to waive building, zoning, environmental, engineering, and other applicable fees that may be incurred as the church continues the work on the building it began in late 2019. The bulk of the work was destroyed from hurricanes in 2020 and left unable to complete due to the inability of persons to work per the concurrent global pandemic. The church will celebrate 50 years of service in the Aaronville community in March 2022 and our commitment remains for another 50 years and beyond as the LORD sees fit. Thank you for the work the City Council does for the city of Foley and we pray you consider our requests positively.

Yours in Christ,

Pastor Alicia Odom
