Section 4.1 Duration of Term. The Construction Term of the Lease shall begin on the date of delivery of this Agreement, and subject to the provisions hereof, it shall continue through and until October 30, 2003 (the "Construction Term"). The annual rent for years two (2) through ten (10) of the Regular Term shall be due on or before October 31 of each subsequent year, and the amount of each year's rent shall be based on the Annual Payroll for the period since the preceding rental payment in accordance with the schedule attached hereto and incorporated herein as Exhibit B (with the minimum rent being \$10,000 per year).

ARTICLE V

PROVISIONS CONCERNING MAINTENANCE, ADDITIONS, REMOVAL OF PROJECT EQUIPMENT, INSURANCE AND TAXES

Section 5.1 Maintenance, Additions, Alterations, Improvements and Modifications. The Lessee will, at its own expense, (i) keep the Project in reasonably safe condition and (ii) keep all buildings and other facilities at any time forming part of the Project in good repair and operating condition (reasonable wear and tear excepted).

The Lessee may, at its own cost and expense, make, or cause to be made, any additions, alterations, improvements or modifications to the Project that it may deem desirable for its business purposes, provided that such additions, alterations, improvements or modifications do not change the character of the Project to such extent that it no longer constitutes a "project" under the Act.

In the event the Lessee determines to make, or to cause to be made, any additions, alterations, improvements or modifications to the Project pursuant to the second paragraph of this Section 5.1, then the Board will execute and deliver, or cause to be executed and delivered, all contracts, orders, requisitions, instructions and other written instruments and do, or cause to be done, all other acts that may be necessary or proper in making such additions, alterations, improvements or modifications. In no event, however, will the Board hereafter enter into any contract with respect to any such additions, alterations, improvements or modifications unless there is endorsed thereon a legend indicating that the Lessee has approved both the form and substance of such contract and such legend is signed on behalf of the Lessee by an Authorized agent.

Lessee Representative. Any obligation for the payment of money incurred or assumed by the Board in connection with such additions, alterations, improvements or modifications shall be payable solely by the Lessee.

The Lessee will not permit any mechanics' or other liens to stand against the Project for labor, materials, equipment or supplies furnished in connection with the original acquisition and construction of the Project or in connection with any additions, alterations, improvements, modifications, repairs or renewals that may subsequently be made thereto. The Lessee may, however, at its own expense and in good faith, contest any such mechanics' or other liens and in the event of any such contest may permit any such liens to remain unsatisfied and undischarged during the period of such contest and any appeal therefrom unless by such action the lien of the Indenture to any part of the Project shall be materially endangered or impaired or any part of the Project shall be subject to material loss or forfeiture, in either of which events such mechanics' or other liens shall (unless they are bonded or superseded) be promptly satisfied.

At any time and from time to time, the Lessee may, at its own cost and expense, install in the Building or elsewhere on the Project Site any equipment or other personal property which does not constitute part of the Project and which in the Lessee's judgment is necessary or convenient for its use and occupancy of the Project. Any such equipment or personal property owned (or leased pursuant to any lease contract other than the Lease) by the Lessee may be removed by the Lessee at any time and from time to time without responsibility or accountability to the Board.

Section 5.2 Taxes, Other Governmental Charges and Utility Charges. The Lessee agrees to pay, as the same becomes due, the following:

- (i) all taxes and governmental charges of any kind including all penalties, interests and statutory assessments whatsoever that may lawfully be assessed or levied against or with respect to the Project; and
- (ii) all assessments and charges lawfully made by any governmental body for public improvements that may be secured by a lien on the Project; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Lessee shall be obligated to pay only such installments as are required to be paid during any period which the Lease shall be in effect.

The Board will promptly forward to the Lessee any bills, statements, assessments, notices or other instruments asserting or otherwise relating to any such taxes, assessments or charges.

The Lessee may, at its own expense and in its own name and behalf, in good faith contest any such taxes, assessments and utility and other charges and, in the event of the such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom.

The Lessee will also pay, as the same respectively becomes due, all utility and other similar charges incurred in the operation, maintenance, use and upkeep of the Project.

Section 5.3 Insurance with Respect to the Project. The Lessee will, no later than the date of delivery of this Lease, take out and thereafter continuously maintain in effect, insurance with respect to the Project against such risks as are customarily insured against by business of like sizes and type as the Lessee, as may be determined by the Lessee, paying as the same become due all premiums with respect thereto. All policies evidencing the insurance required by the terms of the preceding paragraph shall be taken out and maintained with responsible insurance companies licensed to conduct the business of insurance in the State of Alabama. All such insurance policies shall name the Board as an additional insured thereunder where permitted.

Insurance against liability for injury to persons or property provided by Lessee pursuant to this Section shall cover the liability, in the several aspects of the coverage provided, of both of the Board and the Lessee, with the Board named as an additional insured. Such policy shall provide that it will not be canceled or amended without at least thirty (30) days notice to Lessee and the Board. The Lessee shall provide, not later than thirty (30) days prior to any policy expiration, evidence of renewal or placement coverage, and such evidence shall be furnished to the Board, in writing.

Section 5.4 Effects of Mortgages. The provisions and requirements of this Article shall be in addition to the provisions and requirements of any mortgage covering the property described on Exhibit A, and not in substitution therefor. So long as any such mortgage shall remain in force and effect, the requirements of those mortgages shall govern the obligations of the parties with respect to the Project to the extent the same are inconsistent with the provisions of this Article. All rights conferred upon the Board pursuant to this Lease shall be secondary and subordinate to the rights granted to any mortgagor of Lessee, provided, however, no mortgage or security agreement will impose any particular liability upon the general credit of the Borrower any of its various officers, members, directors or agents.

ARTICLE VI

Section 6.1 Damage and Destruction Provisions. It shall be the responsibility of Lessee to fully insure the demised premises, and all improvements situate thereon, in an amount not less than the fair market value thereof. In the event any portion of the demised premises is damaged, in whole or in part, such risk of loss shall rest on Lessee, and the Board assumes no responsibility for any such damage which may occur. Any insurance proceeds payable with respect to such damage shall be paid unto Lessee.

If the Building is destroyed, in whole or in part, or is damaged, neither the Lessee nor the Board shall be obligated to repair, replace or restore the property damaged or destroyed, and any Net Insurance Proceeds referable to such damage or destruction shall be paid to the Lessee; provided, however, that the Board will, to the extent and in the manner provided herein, cooperate fully with the Lessee in carrying out such repair, replacement and restoration as the Lessee may, in its sole discretion, decide to undertake.

All property acquired in connection with the repair, replacement or restoration of any part of the Project pursuant to the provisions of this Section shall be and become part of the Project subject to the demise hereof and the lien of any Mortgage applicable to the demised premises and shall be held by the Lessee on the same terms and conditions as the property originally constituting the Project.

6.2 Condemnation Provisions. In the event of any condemnation of the demised premises during the term of this Lease or any extension or renewal hereof, any such condemnation award payable as a result thereof shall be paid in accordance with any Mortgage covering the demised premises. In the event no such Mortgage exists, or in the event such Mortgage has been fully satisfied, all such condemnation proceeds shall be payable unto Lessee.

6.3 Cooperation of the Board in the Conduct of Condemnation Proceedings. The Board will cooperate fully with the Lessee in the handling and conduct of any prospective or pending condemnation proceeding with respect to the Project or any part thereof and will follow all reasonable directions given to it by the Lessee in connection with such proceeding. In no event will the Board settle, or consent to the settlement of, any prospective or pending condemnation proceeding with respect to the Project or any part thereof without the prior written consent of the Lessee. Any expenses incurred by the Board in assisting Lessee with condemnation proceedings, including the Board's reasonable attorney's fees, shall be paid by Lessee.

ARTICLE VII

PARTICULAR COVENANTS OF THE LESSEE

Section 7.1 General Covenants. The Lessee will, in the use of the Project and the public ways abutting the Project Site, comply in all material respects with all valid and applicable laws, ordinances, regulations or orders of all governmental authorities or agencies; provided, however, that the Lessee may in good faith contest the validity of any such laws, ordinances, regulations or orders or the application thereto to the Project and in the event of any such contest defer compliance therewith during the period of such contest and any appeal from any appealable decision in such contest, unless by such action the rights or interest of the Board with respect to the Project or any part thereof shall be materially endangered or impaired. The Lessee shall give prompt notice of any such contest to the Board. Except for warranties of title and quiet enjoyment, and except for the breach of any term or covenant of this Lease by the Board, Lessee does hereby release and hold the Board and its agents, servants, employees and directors harmless from and against any liability which Lessee may incur in and about the operation of the Project.

Section 7.2 Release and Indemnification Covenants. The Lessee releases, other than for gross negligence or willful misconduct, the Board (and each director, officer, employee, attorney, consultant and agent thereof) from, and will indemnify and hold the Board (and each director, officer, employee, attorney, consultant and agent thereof), harmless against any and all claims and liabilities of any character or nature whatsoever regardless of by whom asserted or imposed, and losses of every conceivable kind, character and nature whatsoever claimed by or on behalf of any person, firm, corporation or governmental authority, arising out of, resulting from, or in any way connected with the Project, including, without limiting the generality of the foregoing, (i) liability for loss or damage to property or any injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Project or arising by reason of or in connection with the occupation or use thereof or the presence on, in or about the premises of the Project; (ii) liability for loss or damage to property or any injury to or death of any and all persons that may be occasioned by the violation of any clean air, clean water or other environmental law or regulation including, without limitation, any provision of the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA" or the "Federal Superfund Act") as amended by the Superfund Amendments and Reauthorization Act of 1986 ("SARA") 42 U.S.C. Sections 9601-9605, or hazardous waste as defined, regulated and/or prohibited by the Resource Conservation and Recovery Act ("RCRA"), the Clean Water Act, 33 U.S.C. Section 1321 et seq., the Clear Air Act, 42 U.S.C. Section 7401 et seq., the Toxic Substances Control Act ("TSCA"), 42 U.S.C. Section 2601 et seq., all as the same may be from time to time amended and any other federal, state, county, municipal, local or other statute, law, ordinance or regulation which may relate to or deal with human health or the environment including without limitation all

regulations promulgated by a regulatory body pursuant to any such statute, law or ordinance; and (iii) costs and expenses of the Board or the members thereof incurred as a result of carrying out its obligations under this Lease.

Section 7.3 Inspection of Project. The Lessee will permit the Board and its duly authorized agents at all reasonable times to examine and inspect the Project or any part thereof.

Section 7.4 Agreement to Maintain Company Existence. The Lessee will maintain its Company existence, will not dissolve or otherwise dispose of all or substantially all of its assets (either in a single transaction or in a series of related transactions) and will not consolidate with or merge into another limited liability company, partnership, limited liability partnership or corporation, or permit one or more legal entities to consolidate with or merge into it; provided that the Lessee may, without violating the agreements contained in this section, do or perform any of the following:

(a) it may consolidate with or merge into another United States limited liability company, partnership, limited liability partnership or corporation, or permit one or more such United States legal entities to consolidate with or merge into it if such legal entity surviving such merger or resulting from such consolidation, if it shall be one other than the Lessee, expressly assumes in writing all the obligations of the Lessee contained in this Lease Agreement and other Financing Documents;

(b) it may transfer to another United States limited liability company, partnership, limited liability partnership or corporation, all or substantially all of its assets as an entirety, and (if it so elects) thereafter dissolve, if the such legal entity to which such transfers shall be made expressly assumes in writing all the obligations of the Lessee contained in this Lease Agreement and the other Financing Documents.

The Lessee will, promptly following any merger, consolidation or transfer permitted under the provisions of this Lease, furnish to the Board fully executed or appropriately certified copies of the writing by which the Lessee's successor or transferring legal entity expressly assumes the obligations of the Lessee contained herein.

If, after a transfer by the Lessee of all or substantially of its assets to another United States legal entity under the circumstances described in the preceding clause (b) of this section, the Lessee does not thereafter dissolve, it shall not have any further rights or obligations hereunder.

Section 7.5 Qualification in Alabama. The Lessee warrants and represents that it is now duly qualified to do business as an Alabama Limited Liability Company and covenants that it, or any successor legal entity permitted under the preceding section hereof will remain qualified to do business in Alabama during the term of this Lease Agreement.

Section 7.6 Covenant to Operate. The Lessee covenants to continuously operate the Project as a "Project" within the meaning of the Act; provided, however, Lessee may interrupt to discontinue operations in the Project for a period of up to twelve (12) months for the purpose of effecting a transition to another permitted use of the Project under the Act.

ARTICLE VIII

CERTAIN PROVISION RELATING TO ASSIGNMENT AND SUBLEASING

Section 8.1 Provisions Relating to Assignment and Subleasing. The Lessee may assign its rights under this Agreement and/or sublease the Project or any portion thereof, provided, however, that any assignment or sublease shall not be effective without the prior

written approval by the Board, which approval may be withheld in the Board's discretion. Any assignment or sublease will be conditioned on the sub lessee or assignee specifically and expressly agreeing to all the terms and conditions contained herein which are obligations or covenants of Lessee. Any assignment or subleasing shall in no event relieve the Lessee of any of its obligations or liability hereunder.

Without limiting or altering the forgoing, the Lessee intends to initially sublease the Project to Pro-Cell, LLC, an Alabama limited liability corporation, and the Board hereby represents its consent of this intended sublease.

The Board may assign some or all of its rights and claims to rental payments called for in this Agreement to any party at any time by giving Lessee at least 30 days prior written notice. In the event of any full or partial assignment of payments, Lessee shall make all future payments in accordance with the Board's directions.

ARTICLE IX

EVENTS OF DEFAULT AND REMEDIES

Section 9.1 Events of Default Defined. The following shall be "Events of Default" under the Lease, and the term "Event of Default" shall mean, whenever it is used in the Lease, any one or more of the following conditions or events:

(b) failure by the Lessee to perform or observe any agreement or covenant on its part contained in this Lease which failure shall have continued for a period of ninety (90) days after written notice, specifying, in reasonable detail, the nature of such failure and requiring the Lessee to perform or observe the agreement or covenant with respect to which it is delinquent.

(c) there shall occur and shall be continuing any event of default, as therein defined, under any Mortgage made by Lessee during the term of this Lease.

Section 9.2 Remedies on Default. Whenever any Event of Default shall have happened and be continuing, the Board shall have, in addition to those rights otherwise provided by law, and when not in conflict with any rights given to a Mortgagee under any Mortgage covering the property described on Exhibit A, the right to take whatever legal proceedings may appear necessary or desirable to enforce any obligation, covenant or agreement of the Lessee under this Lease or any obligation of the Lessee imposed by any applicable law.

Section 9.3 No Remedies on Default. No right, power or remedy herein conferred upon or reserved to the Board is intended to be exclusive of any other available right, power or remedy, but each and every such right, power or remedy shall be cumulative and shall be in addition to every other right, power or remedy given under the Lease as now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver thereof but any such right, power or remedy may be exercised from time to time and as often as may be deemed expedient.

Section 9.4 Agreement to Pay Attorney's Fees. In the event that, as a result of an Event of Default or a threatened Event of Default by the Lessee, the Board should employ attorneys at law or incur other expenses in the enforcement of any other obligation, covenant, agreement, term or condition of this Lease, the Lessee will pay unto the Board reasonable attorney's fees and other reasonable expenses so incurred.

ARTICLE X

OPTIONS

Section 10.1 Option to Purchase. Provided that Lessee is not in default under any provision of this Lease, the Lessee shall have the right and option, hereby granted by the Board, at any time after October 31, 2013, to purchase the Project from the Board at and for a purchase price equal to the sum of TEN AND NO/100 DOLLARS (\$10.00). To exercise any such purchase option, the Lessee shall notify the Board in writing no less than thirty (30) days prior to the date on which it proposes to effect such purchase and, on the date of such purchase, shall pay the aforesaid purchase price to the Board in cash or bankable funds, whereupon the Board will, by deed or other instrument, transfer and convey the Project (in its then condition, whatever that may be) to the Lessee.

Section 10.2 Notification of Term Expiration. If Lessee has not notified the Board in writing no less than thirty (30) days prior to the termination of the term of the Lease of its intention to exercise its option to purchase, the Board shall give written notice to Lessee of the expiration of the term of the Lease and Lessee shall have an additional sixty (60) days from the date of such notice to exercise said option to purchase.
