Whereas: the City of Foley understands the root causes of this invisible issue and recognizes the importance of providing 575 tons of groceries to 17,647 families in need in 2017 as a way to move families from poverty to self-sufficiency, and

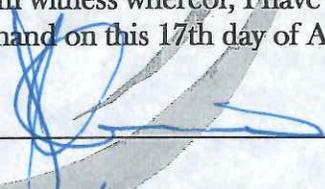

Whereas: The 1st day of May is recognized in the City of Foley, and in many other communities across Baldwin County, as a day to reach out and fill the plate of our neighbors in need.

Now Therefore: I, John Koniar, Mayor of the City of Foley proclaim May 1st as Prodissee Pantry Day and call up on the residents of Foley to prayerfully consider how they can fill the plate of the hungry in our community and answer the MAYDAY...

In witness whereof, I have hereunto set my hand on this 17th day of April 2017.
