Description of the item and why the item is needed at this time.

We have one reel mower to mow all soccer and baseball fields. We currently do not have a backup and it takes about a week to mow all the fields properly in the Summer. This allows us to have a backup and more importantly another mower for short turn around times between tournaments or following weather events.

Can your job be performed without the purchase of this item? Please explain below.

Yes, but we are sometimes left without fields mowed

Have you obtained any quotes on the purchase to determine if it will come in, at, or below budget? If so, please attach.
Slightly over budget, we will make up the difference with the vehicle request. Total amount is \$56,648.60

Is this to replace a current capital asset? No

If so please list below the item being replaced and why it can not be used any longer.

How do you plan to dispose of the item that is being replaced?
