RE: Banner Request
Chili for Charity

Dear Mayor and City Council Members,

I am once again writing to request approval for the placement of five (5) 30x80 banners on the poles located throughout the City advertising Ecumenical Ministries "Chili for Charity" event.

Our event is scheduled for February 27th and I have completed the application required by the Public Works Department. I am grateful for all the help we have received from the Public Works Department in getting the banners up...and down. With this being our largest and so far only fundraiser, having this added advertising is a bonus.

Thank you in advance for your consideration...and approval.

With warm regards,

Pamla Meredith
