**RE: Amendment No. 1 to Contract for Project TAPAA-TA21(910) Sidewalks  
Along South Pine Street, 9<sup>th</sup> Avenue, and South Hickory Street  
Additional Survey Services for Additional Topography and Required Easement  
Descriptions and Mapping**

Dear Mr. Christian,

Please find attached Amendment No. 1 to the Agreement for professional services related to Project TAPAA-TA21(910) Sidewalks Along South Pine Street, 9<sup>th</sup> Avenue, and South Hickory Street dated March 1, 2021. Amendment No. 1 will provide for additional engineering services needed to acquire additional topographic data along the south side of 9<sup>th</sup> Avenue between South Hickory St and South Cedar Street and develop the necessary legal descriptions and maps for required easements associated with the project. Amendment No. 1 will be governed by the terms and conditions described in the Agreement noted above. A summary of professional services and associated costs is provided below:

| SERVICES                                | Original Contract   | Amendment No. 1   | Total               |
|-----------------------------------------|---------------------|-------------------|---------------------|
| Field Surveys                           | \$13,125.00         | \$2,000.00        | \$15,125.00         |
| Environmental                           | \$9,686.00          | \$0.00            | \$9,686.00          |
| Engineering Roadway Plans               | \$57,135.00         | \$0.00            | \$57,135.00         |
| Construction Observation and Inspection | \$79,500.00         | \$0.00            | \$79,500.00         |
| Easement Maps and Legal Descriptions    | \$0.00              | \$3,800.00        | \$3,800.00          |
| <b>Totals</b>                           | <b>\$159,446.00</b> | <b>\$5,800.00</b> | <b>\$165,246.00</b> |

The additional services included in Amendment No. 1 will be provided by a subconsultant (Bumpers Land Surveying, LLC). The subconsultant's quote is attached hereto.

Amendment No. 1 is provided at the request of the City of Foley for your review and acceptance. Upon your review and if you concur with the scope of services and cost associated with these services, please sign in the appropriate space provided below and return a fully executed copy to Volkert.

Please call if you have any questions.

Sincerely,  
VOLKERT, INC.

Jordan Stringfellow, P.E.

Subject: Foley Tap Supplement

Mrs. Stringfellow,

Bumpers Land Surveying, LLC is pleased to submit this proposal to provide additional services on the subject project.

Scope of Services: Collect full 3D topographic data on the area south of 9<sup>th</sup> Avenue from Hickory Street to South Cedar Street from R/W to Centerline of road. Provided a CAD file of the collected data and DTM in xml format. A survey report will be provided with the final CAD files and DTM. - \$2,000

Provide Easement Tract Sketches, Legal Descriptions for 5-6 property owners, draw property lines, and provide record recording information for the corresponding properties. Some of the areas required to be sketched are large and will require multiple sheets and match lines. - \$3,800

**Lump sum: \$5,800**

Should you have any questions or comments regarding the information contained in this proposal, please feel free to contact me.

Sincerely,

Wesley G. Bumpers, PLS, PSM  
President and Founder
