Hi Wayne,  
In case this is buried in your emails, I'm resending. It is a request to put a resolution in for next Monday for council to provide funds for a new exhibit at the depot.  
Mike has approved.

Thanks,

Hi Mike and Wayne,  
The Marketing Department would like to go to council to request funding to create an exhibit at the depot museum that will showcase our recent designation as a World War II Heritage City and Barin Field. This funding would allow us to purchase professional exhibit cases, signage and display items and also take care of other expenses necessary to create an exhibit worthy of the unique designation that the city has recently received.

I ask your permission to take this to council for consideration.
